Key Relationships

DEPARTMENTS → USERS

One department has many users (students, staff, admins).

USERS → CERTIFICATE_REQUESTS

A student submits many requests; a staff member reviews many requests (reviewed_by).

CERTIFICATE_TYPES → CERTIFICATE_REQUESTS

Each request is made against one certificate type.

CERTIFICATE_TYPES → CERTIFICATE_TEMPLATES

Each certificate type has a reusable layout template.

CERTIFICATE_REQUESTS → CERTIFICATES

An approved request generates exactly one certificate record.

USERS → CERTIFICATES

A staff member issues many certificates (issued_by).

USERS → NOTIFICATIONS

A user receives many notifications (submission, approval, rejection, generation).

USERS → ACTIVITY_LOGS

Every user action (login, approval, generation) is logged for auditing.

Student Dashboard — My Certificate Requests

Certificate Type	Submitted	Status	Action
Bonafide Certificate	Jul 28	Pending	View
Internship Certificate	Jul 20	Approved	Download

Staff Approval Queue

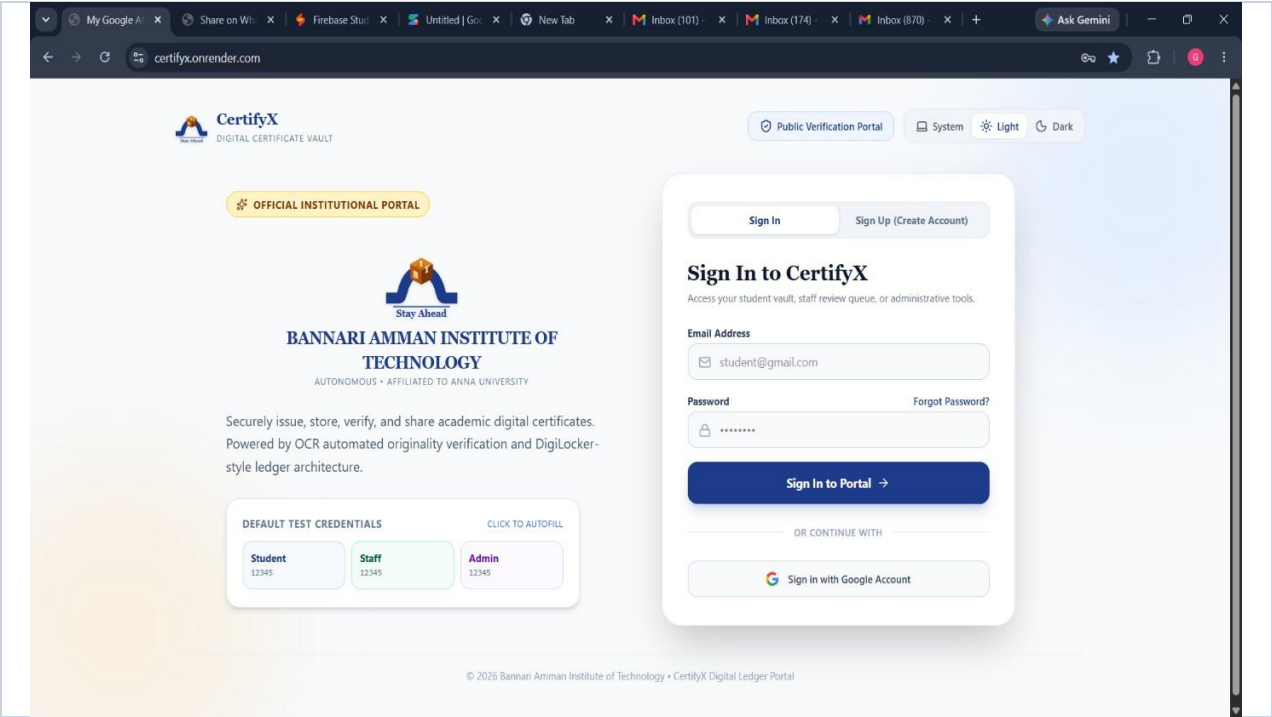

Student	Certificate Type	Submitted	Action	
Asha Menon	Bonafide Certificate	Jul 28	Reject	Approve
Rahul Nair	NOC Certificate	Jul 27	Reject	Approve
Divya Iyer	Fee Paid Certificate	Jul 26	Reject	Approve

Public Certificate Verification

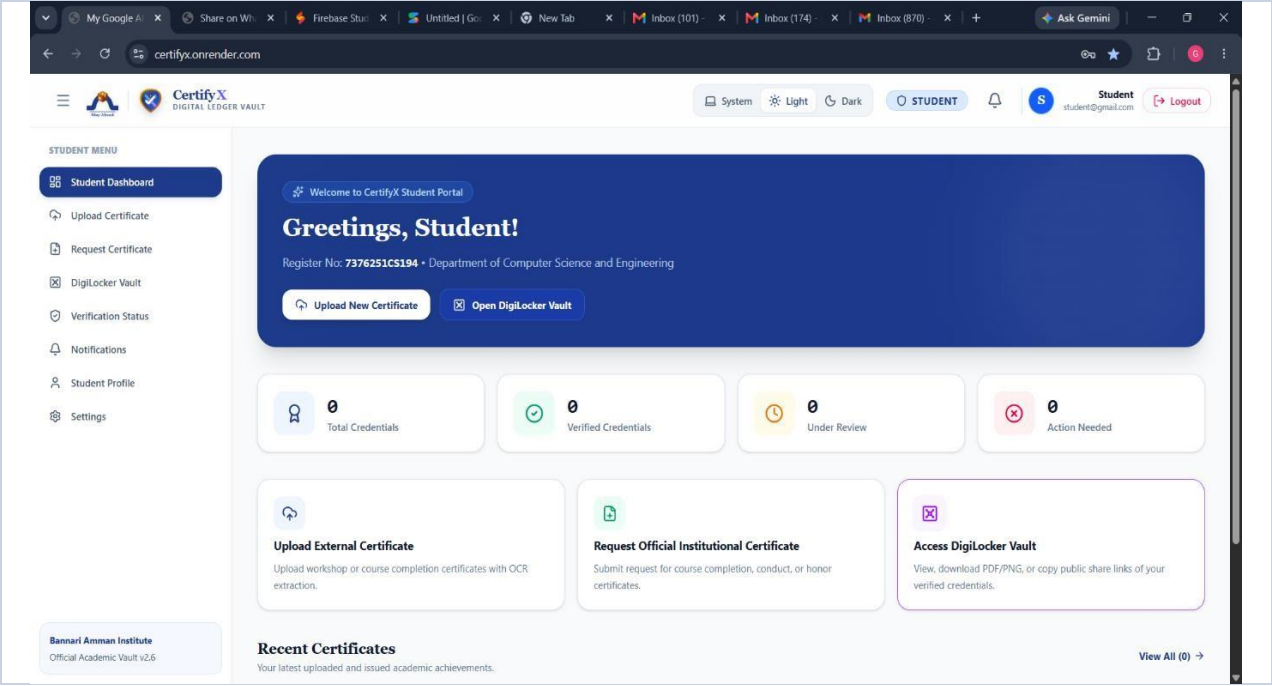

Field	Example
Enter Certificate ID	BAIT/AIW/2026/0742
Result	✓Authentic & Verified — full certificate details shown
Result (not found)	✗Invalid Certificate
